

Welcome Jamie White

On Sunday, August 25, both Beacon of Hope and Radial Church affirmed Jamie White to join our network pastoral team. She joins other pastoral team members Dustin White and Gino Haynes. Her role on the pastoral team will be to assist with administration and communications at Beacon of Hope and Radial for five hours per week.

Jamie is the co-church planter of Radial Church along with Dustin. After recognizing the call to spiritual leadership, Jamie has developed a passion for helping others find out who Jesus has called them to be. She is a graduate of Malone University and Ashland Theological Seminary, and she is pursuing a Doctor of Ministry degree at Ashland. Jamie is also program director for Brethren Academy, a guest lecturer and adjunct professor at Ashland University, and in her spare time, she is a barista at Walkie Talkie, a neighborhood coffee shop in Canton.

An installation service will be held in September. As you have opportunity, welcome Jamie to her pastoral leadership role in our churches.

Welcome to Beacon of Hope

Beginning on Sunday, September 1 at 9:00 am, and continuing through September, Ron Waters will lead a Welcome Class to talk about Beacon of Hope Church. The class is open to anyone – current and prospective members or anyone who would like to learn more about the church, its history, beliefs and practices, and organization. By attending the class, you will be prepared to make a decision about becoming a member of the church . . . but becoming a member as a result is not an obligation. If you have questions, give Ron a call at 234-410-3743 or 330-257-1255.

Everence offers so many different services and as our advocate I can help you with that. Things like banking, life insurance, health plans, estate strategies or retirement plans. Please check with me for answers to these and other questions you may have. Thank you!

September Facility Report

The Worship Center ceiling and walls are now painted, new light bulbs installed and the wood work has been completed as part of the general update. There are just a few details left to accomplish. We are working on a number of exterior issues in the next few days with Ludwig Home Construction, Dave Ludwig, leading this effort. The parapet walls on the West end of the building have been repaired which will eliminate multiple leaks.

As fall approaches we are very pleased that so many have helped keep the facility nice for the summer. Thanks to all who contribute to the facility upkeep.

An 'independent survey' has recognized the Beacon of Hope Community Church outdoor sign messages as being the most inspirational in the community. We hope that you are checking the sign out often and are inspired to dig deeper into what God is doing in our midst.

Plans for a fall clean-up at the church are scheduled for Monday, October 7 and Tuesday, October 8 from 8:30am to 11:30am. Your help would be appreciated either or both days if you are available. There will be a list of projects on the janitor closet door in the Fellowship Hall, if you cannot make either of those times and want to participate.

Submitted by your Facility Team

Aluminum Cans for Camp Bethany

Recycling our aluminum cans has many benefits. Our recycling efforts help support kids going to church camp at Camp Bethany. Continue to save your cans. Our collection location is just inside the storage closet in the Fellowship Hall. Thank You to all who have contributed.

Box Tops/Labels for Education & Used Cell Phones/Ink Cartridges

The collection containers for these items are located in the library.

Christian Reading

There is a Christian reading center located in the Fellowship Hall. If you find something of interest, simply take it home and bring it back when you have finished. If you have any questions, feel free to contact JoAnn Simon.

We have had a relationship with the Louisville Community Cupboard for many years. In talking with Sally Samblanet, we have come up with a new and exciting way we can partner with them. Each month we will have an "Item of The Month" to purchase. This will provide them with a known resource to be able to plan for their bi-monthly food distribution and they will know ahead of time what will be coming the following month. The goal is to provide 150 pieces of an item each month.

The "Item of the Month" for September: Boxed Potatoes (Scalloped, Au Gratin)

We look forward to helping a great organization provide a necessary service to our community. Thank you!

CARE PROGRAM For Louisville City Schools

We will be collecting **Ramen Noodles** for the month of September. Please place these items on the table in the Narthex. Thank you for your donations!

CARE Community Boutique at BHCC

The CARE Community Boutique has officially opened. Thank you to everyone for the help, prayers and support. Partnering with the Louisville Schools to assist those that are in need could not have happened without the support and outreach of the church and school. We are so blessed to have a wonderful church and community to help make this vision a reality.

The Boutique will be open in September on: Monday, September 9, from 9:00am-11:00am
Wednesday, September 11, from 5:00pm-7:00pm
(and also by appointment)

The Boutique will also be open for "Leopards and Lace" on: Tuesday, September 10, from 5:00-7:00pm
Wednesday, September 11, from 5:00-7:00pm

"Leopards and Lace" offers High School girls an opportunity to come and find a formal dress for Homecoming.

Shoebox Plans For This Fall

As we did last year, we are going to have two opportunities again this fall to give to children through Shoebox gifts. The first collection will be for needy children around the world, through Franklin Graham's organization Samaritan's Purse. You will receive details on that in October.

Then in December we will pack boxes for kids in our own area, to be distributed through the Community Cupboard. We hope you will be excited about helping with both of these worthwhile projects this fall. You can talk to Norma Waters or Ralph Gibson if you have any questions at this point.
